PRESIDENT'S MESSAGE 2026

The Launceston Competitions Association acknowledges and respects the Palawa people as the traditional and ongoing custodians of Lutruwita. We pay our respects to Elders past, present and emerging.

The Launceston Competitions Association welcomes everyone to the 2026 Launceston Competitions in Speech & Drama, Music, Highland Dancing and Theatrical Dancing.

This year marks the 124th year of our competition association, and 2026 stands out as a year of significant change. We are embracing a new location, introducing new sections, and launching an online program.

Our commitment to sustainability and affordability continues to guide our decisions. The committee is actively working toward long-term practices that support both the environment and the financial accessibility of the competitions, ensuring that performers and families can continue to participate for generations to come.

The Launceston Competitions Association thrives on the support of our patrons, skilled teachers, dedicated performers, professional adjudicators, committee members, and volunteers. Their collective efforts enable us to uphold our mission of supporting education, elevation, and entertainment in the performing arts.

As a not-for-profit organisation, we rely on the passion and dedication of volunteers from both the committee and our community. These individuals work tirelessly to create positive experiences for performers and audiences alike, and their commitment remains central to our success.

Our Sub-Committee Chairs; continue to lead the development of the 2026 program and provide invaluable support throughout the competition season. I extend my sincere thanks to all past, continuing, and new committee members for their contributions and their dedication to ensuring a safe, enjoyable, and forward-looking competition year.

We also extend our gratitude to the Launceston City Council and all our supporting sponsors. Your generosity provides essential support that allows the competitions to grow, evolve, and continue serving the community.

Once again, thank you to everyone who contributes to the ongoing success of the Launceston Competitions — sponsors, adjudicators, teachers, competitors, volunteers, families and our audiences.

Best wishes for a successful, inspiring, and enjoyable 2026 competition season.

Leigh Sheppard, President.

MEET OUR 2026 ADJUDICATORS

CREATIVE WRITING

Ms Tamara Foster

Tamara Foster spent over 40 years teaching English and Humanities subjects in Northern Tasmanian High Schools and Colleges. At the centre of her teaching practice was the desire to instill in her students of love of language and literature, to discern how the way words, either spoken or written, can make an impact.

A strong supporter of public speaking and debating throughout her career, she also relished the creative writing component in English subject courses. Since retiring from full time teaching she relishes having more time to read widely and undertake volunteer ushering for a range of musical theatre and ballet productions. As a consequence, she continues to be a strong advocate for young people and the talent abounding in our community. She is a member of several Arts and Heritage organisations and celebrates the vibrancy of cultural endeavours across the state.

HIGHLAND DANCING

Mrs. Judy Niven

I started Highland dancing at the age of 5 and as well as Highland, I studied Ballet and Modern Dance and in later years Tap.

Over my time, I competed successfully in many Championships around Australia. My biggest thrill was travelling to Scotland and competing at the "Worlds" in 1984.

At 18, I started my dancing school, which I ran for many years. I also became involved in displays and choreography and performed in numerous events and Tattoos. In 1992, I co-produced inaugural Victorian State Committee Variety Concert, which still runs today.

I have been judging around Australia and overseas for 30 years. My second biggest thrill was being invited to judge the "Worlds" in 2018, which was a wonderful experience.

I am also involved in Highland Dancing administration - as Technical Secretary, and then as President of the Victorian State Committee of Highland Dancing, and Senior Vice-President of the Australian Board of Highland Dancing. I am currently the President of the Victorian State Committee of Highland Dancing once again.

Highland Dancing has given me amazing experiences, fantastic students, and wonderful lifelong friends. I am thrilled to be coming to Tasmania again to take part in the Judging panel for Highland Dancing.

THEATRICAL DANCE

Mr. Christopher Favaloro

Christopher Favaloro, originally from Sydney, studied at Newtown High School of the Performing Arts, and further continued his studies at Ev & Bow Full-time Dance Training Centre. At 18, he represented Sydney Dance Company for the International Mayors' Congress commissioned by APEC. In the same year, Christopher joined Melbourne Ballet Company as a soloist for their 2008 and 2009 seasons, *Emerge* and *Believe*.

In 2009, Christopher was one of a select few accepted into the Cirque Du Soleil database and was also awarded his Solo Seal by the Royal Academy of Dance. Christopher then went on to assist Sarah Boulter in teaching the top 4 contestants for the television show, *So You Think You Can Dance Australia* (Season 2 & 3). Soon after, he began touring Australia with Jerome Robbins' timeless classic, *West Side Story* as Shark boy, Anxious in 2010 & 2011. In 2012, Christopher joined Mod Dance Company as a Principal Dancer under the direction of Brett Morgan and Graeme Murphy performing signature works by Graeme Murphy entitled *Suite Synergy*.

Throughout his career, Christopher has performed and toured in several shows with Opera Australia across Australia. These include Baz Luhrmann's *A Midsummer Night's Dream*, *The Merry Widow*, *Don Giovanni*, *The Magic Flute* by Julie Taymor, *Orpheus in the Underworld*, *Ballo*, *The Love of Three Oranges* and Graeme Murphy's *Aida*. From 2014-2018, Christopher toured internationally with *Cats - The Musical* in the iconic role, Mr. Mistoffelees to great acclaim.
